Profile

Passionate web developer based in Canada, originally self-taught since February 2023 and later trained at the Collège communautaire du Nouveau-Brunswick (CCNB). I specialize in creating engaging and functional user experiences using modern technologies such as React, TypeScript, and Tailwind CSS. I enjoy building clean, scalable interfaces and collaborating with cross-functional teams to deliver high-quality digital products.

Professional Experience

- 01/2025 – 06/2025 **Innovation Technologique, Web Developer Intern**
Quebec City, Canada
- Developed responsive and dynamic user interfaces.
 - Integrated RESTful APIs to connect frontend to backend services.
 - Improved application performance and user experience in collaboration with the dev team.
 - Participated in feature development, testing, and UI enhancements.

Education

- 09/2023 – 06/2025 **Diplôme d'études collégiales, Collège communautaire du Nouveau-Brunswick**
BATHURST, Canada
